DL42 Square Luminaire

This traditionally styled square shaped luminaire consists of a luminaire base with integral ballast housing, four sided lens frame, four lens panels, four sided hinged roof, and a vent styled finial assembly.

- Base, ballast housing, frame assembly and roof assembly are heavy wall, copper free, cast aluminum
- Lens panels options include smooth, textured or prismatic, constructed from clear polycarbonate or clear acrylic
- All hardware is stainless steel including tamper resistant exterior hardware
- Luminaire mounts on a 3" O.D. x 3" tenon with six 1/8" diameter socket set screws
- Furnished with an H.I.D. ballast and socket assembly
- UL listed and labeled as suitable for wet locations
- Ballast is core and coil, high power factor, regulating type

DS1 Cutoff Luminaire

This square luminaire has a cast aluminum base/ballast housing, lens frame, hinged roof and finial. The decorative vent assembly is spun aluminum. Lenses are clear, smooth acrylic. All hardware is stainless steel.

- Luminaire mounts on a 3in O.D. x 3in tall tenon with six, set screws
- Ballast assembly is easily accessed through the top of the base/ballast housing
- Quick disconnect plugs are furnished for access to the ballast assembly and the reflector
- The luminaire utilizes an internal, anodized and segmented reflector with socket for horizontal lamp
- Reflectors are available in four different distributions and are interchangeable
- The luminaire is UL and CUL listed and labeled as suitable for wet locations
- Ballasts are core and coil, high power factor, regulating type
- The luminaire has a powder coat finish utilizing a premium TGIC polyester powder
